Important Notes:

1. Those who intend to enroll in a program must submit their applications within the specified period announced by the university.
2. In accordance with the "Kainan University Regulations for Students Enrolling in Credit Programs," the following provisions apply:
 - (1) Each program should require the completion of at least twelve credits. Students who take courses in the program should have at least six credits that are not part of the student's major (including double majors), minors, or other required credits for other programs.
3. If specific programs require additional documents, they should be completed and submitted to the respective program offices along with the application.
4. Application Process: Carefully complete this form and the required attachments for each program. Submit for approval to the original department or institute. Afterward, submit it for approval to the academic coordinator of the program in the department's office.
5. Non-Kainan University students should enclose relevant identification documents when submitting their applications.
6. For any matters not covered here, please refer to the "Kainan University Regulations for Students Enrolling in Credit Programs" and the regulations set by the individual program offices.
